

February 2024

Dear Member:

On behalf of contributing members from the Plymouth Community Chamber of Commerce, we would like to reward up to three Plymouth/Canton students with Chamber of Commerce scholarships to attend Michigan colleges, and we need your help!

We will offer three \$1000 scholarships:

- Community Service: Based on community service during high school.
- Schoolcraft College: For students who plan to work locally and attend this college
- Career Technical Education Students at P-CCS: For a student to attend a Michigan college
- If students do not apply or meet the criteria in one category, we will award multiple scholarships in another.

We are asking our members to consider contributing to this fund which will provide each student selected a scholarship for \$1,000. **One hundred percent of the funds raised will go to these scholarships.** If we raise more than \$3000, we will reward larger scholarships to our recipients. It is up to us to reward students for their achievements and involvement in our community, by donating to the scholarship fund. **All donations are tax-deductible, and contributors will receive a receipt.**

Your company will receive recognition for your contribution on the Plymouth Community Chamber website.

The deadline for donations is April 5, 2024. We hope you will please help support the future leaders of our community with a donation to fund these scholarships. Thank you for considering our request.

Yes! We want to support the outstanding students in our community through Chamber of Commerce Scholarships.
