

# Business & Career Technical Program (CTE) Scholarship

The Plymouth Community Chamber of Commerce offers a \$1,000 scholarship to graduating students pursuing business or Career Technical Programs (CTE) careers. The scholarship is only for students who attend a Michigan college or trade school. Students will need to have taken business classes or CTE programs in high school and plan careers in the following fields:

- **Automotive Technology**
- **Human Services** - medical fields, culinary arts, health occupations (Grades 11 and 12), Education foundations Kiddie campus preschool;
- **Applied Engineering** - programming and robotics, engineering, computer-aided design
- **Accounting**
- **Computer Science**
- **Consumer/Business**
- **Marketing**
