All produce and plants/flowers **MUST BE MICHIGAN GROWN** when the Michigan season begins. Prior to the Michigan growing season, produce and plants/flowers purchased from a wholesaler may be sold as long as the products are U.S. grown. However, once the Michigan season begins, vendors cannot sell any products they do not grow if that product is grown and sold by another vendor. The Market Manager shall have discretion in identifying and resolving compliance issues.

All vendors who do not sell products from their own garden or farm, must display a sign that is at least 2 ft. X 3 ft. stating that they buy and re-sell their produce and/or plants/flowers.

VENDOR REQUIREMENTS:

- All items must be approved by the Plymouth Community Chamber of Commerce and the Market Manager.
- A current application must be submitted, approved, and kept on file at the Chamber office prior to selling at the market. Vendors are responsible for their own sales taxes, licenses, fees and permits for operation and will abide by all local, state and federal laws. Food vendors must also include a copy of the appropriate licenses.

- Any vendor, who sells products that are governed by the Wayne County Health Department, and the Michigan Department of Agriculture, must comply with all rules and regulations as defined by these two health agencies. These requirements must be met before an application can be approved. Please visit www.michigan.gov/mda for information on requirements.
- All artwork, craft and garden items must be hand-made or decorated by the vendor/artisan and a photo of all items must also be included with the application. “Decorated” is defined by the Chamber of Commerce and Market Manager as having a permanent alteration to the item that cannot be removed. Only those items included in your application may be sold at the market.
- Vendors may not sublease your assigned stall.

- The Market is held on City property. The City DOES NOT allow the sale of wine or other alcohol on City property during the market.
- Vendors must supply their own tables, chairs, canopies and other equipment. Vendors are limited to their own space and may not use any portion of the walkway for display purposes, as they must be kept clear for the free passage of pedestrians. Animals, bicycles, inline skates, skateboards, etc. are not permitted on market walkways and any area adjacent to the market. Solicitations are also prohibited in the market area. Vendors are required to help police solicitors, bicycles and pets.

The Chamber and its employees will involve the Wayne County Health Department, the Michigan Department of Agriculture, and public safety officials when necessary for the safety of the Market vendors and visitors. The market rules supplement the City code provisions. Vendors who have stalls will not take vacant stalls without the permission of the Market Manager and seniority will prevail. **IF YOU FEEL THAT YOU CANNOT CONFORM TO THESE RULES, PLEASE DO NOT APPLY FOR A STALL.** A copy of the market rules are available from the Market Manager and at the Chamber office for your reference.
